PASTOR CORBIN'S VIEW

Greetings! Hopefully your week has been going well! Linda and I have been waiting eagerly for spring and when we had several snow squalls earlier in the week we couldn't believe it was really mid-April. It is kind of like our faith-walk. We know God is purposeful and works for good, but why the discomfort if that is true? I guess that is why our journey is a "faith-walk." We walk looking to the truth of God's Word rather than the circumstances we are experiencing.

Linda and I will be returning to WAC on Saturday and remaining through Monday. Once again, we will be available for prayer and/or spiritual direction. Feel free to contact Beth at the office or contact

me directly for an appointment.

Just a Thought...

The story is told of the wife of a Victorian bishop, who, on learning that Charles Darwin had suggested people were descended from apes, "hoped that it was not true – but that if it is, then that it does not become widely known." (Leonard Sweet, Carpe Manana)

THE REVIEW

We were blessed with a wonderful worship service last Sunday! The praise team led us well and didn't Bryce Woland do a super job leading our hymns? We are grateful for his willingness to help us. Ally Smith favored us with another moving solo during the offertory. Our focus was a call to become eternity people who remember that our true citizenship is in Heaven (Phil.3:20). Such truth should inform how we live now. The service concluded with the celebration of Communion which we are urged to do "till He come."

Sunday evening the women were treated to a creative prayer walk approach to missions and interceding for our international workers. All this was organized by leader Marianne Yohn. Thanks, Marianne!

The men appreciated the ministry of Carl Schreck who provided a devotional and a very informative talk on the Gideons of which Carl is a part. Many have come to Christ through this important ministry of Scripture distribution.

THE PREVIEW

Our Sunday School ministries begin at 9:00a. Even if you haven't been attending, it is no problem to jump in this Sunday.

During worship (10:00a), we will urge one another to sharpen our awareness of the Lord's Return. It is so easy to wonder if it will ever happen, yet Scripture is clear that Jesus is on His way to bring a conclusion to the ages and as His followers, we should be eagerly anticipating that. A special joy will be music provided by Justin and Janelle Jones (daughter of Dave and Karen Auker). We look forward to that.

The Sunday night service will conclude our study on Proverbs, looking at the last pillar of wisdom which is choosing to live a fully abundant life by following the many aphorisms of Solomon.

See you Sunday! It will be great to worship with you!

Here are some upcoming AWANA dates as well:

- April 25 - CARS MUST BE TURNED IN

- SUNDAY, APRIL 29 THE CONGREGATION WILL VOTE FOR THE DESIGN AWARDS

- May 2 - Grand Prix - We will be doing the Grand Prix a little differently this year. Since we have so many Cubbies, they will have their own races first with their own awards. Between the Cubbies and the Sparks/T&T races we will do the Handbook Awards and Mr. Dave Auker will do a short devotional. This will allow two things. First, all the cubbies will be able to race and leave after the devotion so they can get to bed early, and second since sports for the older kids usually have started I am asked every year to have a Spark or T&Ter race later so they can do both. This way there will not be a conflict. Also, it will reduce the noise level in the gym that already has acoustic problems. We will give this a try to see if it works, if not we can go back to combining all the clubbers for one large race. Hot dogs and chips will be available from 6pm on, so come hungry!
