## THE WAC VIEW

April 26, 2018

### PASTOR CORBIN'S VIEW

Greetings! Isn't it wonderful to see spring finally "springing"? The flowers are lifting up their heads, the grass is getting greener, and the birds are returning. It all seems to give us another reason to praise God for His wonders.

Linda and I are looking forward to our annual camping trip to Myrtle Beach. Our camper has been serviced and tomorrow we will begin loading it. We plan to leave Thursday morning, with a stopover in N.C., and arriving at our destination on Friday. The forecast is for rain our first few days, but that is OK since it normally rains when we camp so we are used to it. We will return home on Friday, May 4

and head up to Watsonstown on Saturday, May 6. Linda and I will be available for prayer or spiritual direction on Saturday, May 6. Feel free to contact Beth at the office or contact me directly for an appointment.

### **Just a Thought...**

*In January 2003, a 43 year old Winchester, VA man lost his temper with his dog which attacked him and bit him. Furious the man dashed into his house and grabbed his shotgun, intending to kill the dog. Once outside, the dog attacked him again. The man began striking the dog's head with the butt of the gun when it went off, killing the man. When the police arrived the man was pronounced dead and the dog was rushed to the nearest veterinarian, was treated, and released. **When we allow anger to get the best of us, we can be the one hurt the most.***

### **THE REVIEW**

Approximate 176 of us gathered to worship our Lord on Sunday morning. Both the praise team and Bryce Woland did a fine job in leading us in our singing. Joan Delker provided us with a moving piano offertory and Justin and Janelle Jones inspired us with beautiful special music. Justin also gave us an update on their ministry in Buffalo, NY.

The message was based on Revelation 1, calling us to be mindful of the fact that Jesus IS coming back and in that light that we be watchful of His return. We must not allow ourselves to become lax regarding this truth.

Sunday evening, more than 50 of us joined together for a time of spiritual encouragement. Karen Auker led us well in our singing and Denyn Beachel gave us an outstanding vocal music special. We loved it. Thank you, Denyn! We concluded our study on Proverbs, observing that the teachings of Solomon,

when followed closely will give us a vibrant, abundant life spiritually, physically, emotionally, and materially.

It is hard to believe, but May 2 will be our last AWANA night for the school year!! And it will be our Grand Prix! We will start at 6pm with hotdogs and the cubbies will race at about 6:15. There are 15 cubbies so it should take about 45 minutes to an hour to race them all, then there will be a short devotion and awards. Then the Sparks and T&Ters will race. There are about the same number of racers. Their awards will be immediately following the races.

The design awards will be selected by the members of the Watsontown Alliance Church on Sunday, April 29. If you would like to participate in voting, our Church will be open from 8am for Brew Unto Others Cafe until after our morning service, about 11:15am, then again for our evening service at 6pm. **Please only vote once!**
