First Snow Day Ever!

Last week we experienced a first time ever snow day! The ironic thing is that we didn't get all that much snow on campus! However, it was "return day" for our students and they got a lot more snow up on the Reservation. Knowing that most of them wouldn't be able to get here easily on Monday (average 1 1/2 hr drive for most), we pushed our return day to Tuesday. It was nice to have the extra day off! On Thur/Fri another storm hit and we did get some snow on campus, about 5 inches. Some of you may have seen the record snowfall for Flagstaff (over 3 ft.), about 100 miles west of us and 1,000 ft. higher in elevation. Of course, since we are a boarding school, we all had no trouble getting to class that day! And we enjoyed the beauty of the day.

Students

We are so thankful for all of the students that the Lord brings to our campus. A few of them come from solid Christian homes. Most of them come from very difficult, painful situations. A number of the have lost a parent or have a parent in jail or a parent who is unable to take care of them because of drugs and alcohol. So, they are being raised by grandparents and aunties. It is heartbreaking to think of the issues that they have to deal with in their families. Please remember them in your prayers. Pray that they would come to trust in Jesus, and know that He will walk with them through the difficult situations.

Next Year

We still have one quarter left of this school year, but we are already looking ahead knowing that we have a number of personnel positions that need to be filled. Please pray with us that the Lord would bring the right people for these jobs: Teachers, Short-Term Teams Coordinator, Dorm Parents.

Thank you so much for being a part of the ministry at NACA!
